Sihil

Sihil (original name: **sihill**) is a type of dwarven sword made using advanced metallurgy and dwarven runic "magic". The crossguard is very small. The blade barely feels any resistance as it cuts through its targets.

Notes

- In the Witcher novels, Zoltan Chivay gives Geralt one such blade that was forged in Mahakam by Rhundurin. The Dwarven runes forged on it translate as "na pohybel skurwysynom", and loosely translate into a combination of "May they perish/To their doom" to the
